

Annual Spring Tree Planting

Saturday, June 11th, 2016

10:00 AM – Noon

Henteleff Park, 1964 St. Mary's Rd

Our annual tree planting event will be held the second weekend of June. Bring your shovels, gloves, smiles, friends and family and help plant some trees and shrubs! Refreshments and snacks served.

While there, you can also see the progress of our new Interpretive Centre, currently under construction. See you all there!

Bird Hike Walk

8AM, Saturday, June 11th

Join Gordon and Jaye Grieff of Nature Manitoba as they look for birds in the varied habitats throughout Henteleff Park. These experts will tell you about the identifying birds by what you see as well as what you hear!

Meet at the parking lot (1964 St. Mary's Road) at 8 am.

Stay to join us for our spring tree planting event afterwards!

Nature Walk

7PM, Monday, July 11th

Don't know an aster from a fleabane? What the heck is a Jerusalem artichoke, anyway? Here's your chance to learn more about the native plants in Henteleff Park!

Join Marilyn Latta of Nature Manitoba for a leisurely evening stroll through the park. Although primarily a plant walk, we will look at birds, butterflies and anything else that runs, crawls or flies by!

Meet at the parking lot (1964 St. Mary's Rd.) at 7 pm.

What We Are Up To ...

The Henteleff Park Board of Directors has been very busy over the past year working through many of its responsibilities. The top of the list has been the planning and development of the Henteleff Park Interpretive Site.

This year will be the culmination of many years of work in which the Henteleff Park Board has, with the architectural firm HTFC Planning and Design, put together an architecturally designed project that will recognize and celebrate the beauty, history and geography of Henteleff Park.

Included in the Interpretive Site will be information about the Metis people of Red River, Jewish farmers of Manitoba, the geography along the Red River and the resplendent beauty of our river bottom forests.

The Board of Henteleff Park is very excited about the opening of the Henteleff Park Interpretive Centre and we invite the entire community to join us in this wonderful and important event on Saturday August 27th at 1:00PM.

Best wishes,

Saul Henteleff, Chair
Henteleff Park Foundation

Mark Your Calendars! Saturday, August 27th, 1:00 PM

Please plan on joining the Henteleff Park Foundation on **Saturday, August 27 at 1:00 pm** at the **official opening ceremony** and dedication of the **new Henteleff Park Interpretive Centre**.

Located at the park's entrance and near the original homestead of the Henteleff family, the Interpretive Centre will feature a Shelter Building that will display panels of information that will lead to a new circular pathway with additional information panels, all-weather notebooks, new bench seating and landscaping.

The Interpretive Centre will be a beautiful place to relax, explore and appreciate the significance of the land that forms the roots of our community.

Learn more about the unique natural landscape, plant and bird life that inhabit the park; the major role that Métis families played in settling and developing the community; the history of market gardening in the area and the Henteleff family and the contributions of other Jewish farm families in Manitoba who contributed to the development of the community.

We have been so fortunate to have a network of dedicated volunteers who have worked tirelessly for years to make the Henteleff Park dream and the Interpretive Centre a reality.

Join us as we celebrate our future and recognize those who have made it all possible.

Ground breaking event, April 30, 2016 – Friends and members of Henteleff Park Foundation

Henteleff Park Foundation is looking for new board members!

If you would like to help out, or you would like more information, please contact Saul Henteleff at members@henteleffpark.org.

Your assistance is needed to continue building this gorgeous and unique river bottom setting!

Henteleff Park Foundation Inc.
748 Borebank St
Winnipeg, MB R3N 1G4
